meeting jesus in the sacraments: *Meeting Jesus in the Sacraments* Pope Francis, 2015-02-26

The Sacraments are not mere appearances, they are not rituals; they are the power of Christ; Jesus Christ is present in the Sacraments. - Pope Francis Baptism, Confirmation, the Eucharist, Holy Matrimony, Reconciliation, Holy Orders, and the Anointing of the Sick - as Catholics we are familiar with the sacraments, and see them as mileposts in our lives. But, as Pope Francis so energetically reminds us, they are not simply observances, they are portals through which the Lord brings us all the power and graces that flow from his death and Resurrection. And wonderfully, each sacrament opens us to a personal encounter with Jesus. Now in 32 easy-to-read chapters Pope Francis reveals the truth and beauty of each Sacrament, teaching us not only what they mean to the Church, but to us as Catholics - ultimately motivating us each to share these incredible gifts with a needy world.

meeting jesus in the sacraments: Meeting Jesus in the Sacraments Michael Amodei, 2010-03-24 (© 2010) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course V of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. Meeting Jesus in the Sacraments reveals the sacraments as the definitive way that Jesus remains present to the Church and the world today. The text explores concrete ways for students to understand the sacraments, participate in their rites, and benefit from their graces. The text is organized around the traditional definition of sacrament from the Catechism of the Catholic Church—an efficacious sign of grace, instituted by Christ and entrusted to the Church, by which divine life is dispensed to us by the work of the Holy Spirit. This definition is clarified by organizing the chapters around four dimensions of the sacrament: memorial, celebration, communion, and transformation. Through regular placement of For Reflection panels and assignments that focus on deeper research, developing a personal and communal prayer life, and active transformation of self and society, this text allows students to come to know Jesus through participation in the sacraments and the grace of their effects. Selections from Catholic blogs and profiles of saints offer a practical application of the sacrament to teenagers.

meeting jesus in the sacraments: The Twelve Steps and the Sacraments Scott Weeman, 2017-11-10 Winner of a 2018 Catholic Press Association Award: Sacraments. (Second Place). In the first book to directly integrate the Twelve Steps with the practice of Catholicism, Scott Weeman, founder and director of Catholic in Recovery, pairs his personal story with compassionate straight talk to show Catholics how to bridge the commonly felt gap between the Higher Power of twelve-step programs and the merciful God that he rediscovered in the heart of the sacraments. Weeman entered sobriety from alcohol and drugs on October 10, 2011, and he's made it his full-time ministry to help others who struggle with various types of addiction to find spiritual wholeness through Catholic in Recovery, an organization he founded and directs. In *The Twelve Steps and the Sacraments*, Weeman candidly tackles the struggle he and other addicts have with getting to know intimately the unnamed Higher Power of recovery. He shares stories of his compulsion to find a personal relationship with God and how his tentative steps back to the Catholic Church opened new doors of healing and brought him surprising joy as he came to know Christ in the sacraments. Catholics in recovery and those moving toward it, as well as the people who love them will recognize Weeman's story and his spiritual struggle to personally encounter God. He tells us how: Baptism helps you admit powerlessness over an unmanageable problem, face your desperate need for God,

and choose to believe in and submit to God's mercy. Reconciliation affirms and strengthens the hard work of examining your life, admitting wrongs, and making amends. The Eucharist provides ongoing sustenance and draws you to the healing power of Christ. The graces of Confirmation strengthen each person to keep moving forward and to share the good news of recovery and new life in Christ. Weeman's words are boldly challenging and brimming with compassion and through them you will discover inspiration, hope, sage advice, and refreshingly practical help.

meeting jesus in the sacraments: Abandonment to Divine Providence Jean Pierre de Caussade, 2011-01-01 God is to be found in the simplest of our daily activities and especially through total surrender to whatever is His will for each of us. That is the message of this 18th-century inspirational classic by Jean-Pierre de Caussade. Its encouragement to live in the present moment, accepting everyday obstacles with humility and love, has guided generations of seekers to spiritual peace and holiness. In this timeless spiritual classic, de Caussade presents the simple, profound gospel message that Jesus lived and taught: My meat is to do the will of my Father in heaven. The author states, The will of God gives to all things a supernatural and divine value for the soul submitting to it. The duties it imposes and those it contains become holy and perfect because everything it touches shares its divine character. This special volume of the famous spiritual treatise also includes the many insightful letters of Father de Caussade on the practice of self-abandonment. These numerous letters provide a great additional source of wisdom and much practical guidance for how to grow in abandonment and to deepen our union with God in our daily lives. De Caussade shows that this practice of self-abandonment to God's will is the key to attaining true peace and virtue, and that it is readily available to all people - from beginners to those well advanced in the spiritual life. He also shows how to determine what God's will is for us. He reveals that it is not extraordinary feats that God expects for our growth in holiness, but rather heroic attention to every detail in our lives and humble acceptance of our daily lot in life as coming from His hand. The rich spiritual lessons in this book have stood the test of time, offering real and practical assistance to all people because its message is simple and clear, one that the reader will find to be a rare treasure of inspiration and direction to be referred to again and again.

meeting jesus in the sacraments: My Catholic Worship! John Paul Thomas, My Catholic Life!, 2015-08-19 With Nihil Obstat & Imprimatur. You are called to love the Lord your God with all your heart, with all your soul and with all your mind. This is not an option if we want to be a Christian! It's a command of love from God and is an invitation to share in His divine life. We should hear those words and soak them up desiring to fulfill them in our daily life. How do we do this? How do we love God with everything we are? To say with all your "heart, mind and soul" means everything! It means all that we are. Our whole being. So loving God in the way we are called to requires a very radical commitment on our part. It requires that we are "all in" so to speak. So, again, how do we do this? The key is worship! To worship God is to love God in the way we are called to love. To worship God means that He is indeed the God of our life and nothing else gets in the way. It means we allow our heart, soul and mind to become immersed in God and filled with His presence. This is worship. And it's our calling in life. Worship is prayer. It's true prayer. But it's not only a prayer we offer at church or at a specific prayer time. Rather, we are called to worship God 24/7 in all that we do and all that we are. We cannot set specific times of worship and times when we do not worship. It's a calling to constantly be in God's presence surrendering all to Him. This book is about Worship of the Triune God! There is nothing more important in life than what is presented here in these pages. Not because of this book itself, but because of the truths this book shares. There are two main sections of this book. The first section is about prayer as it is lived in the Sacraments of our Church. The Sacraments can seem, at times, to be dry, dull and repetitive. They can, at times, feel like empty rituals that we are "obliged" to do out of obedience. But when understood and entered into correctly, the Sacraments become the greatest source of our intimacy with our God. They become personal. They become My Catholic Worship! The second section of this book deals with all other forms of prayer. It highlights various methods as well as the meaning of prayer. So jump into this book with an open heart and know that God wants to draw you more closely to Himself in all forms of worship. He wants you to know and love Him with your whole heart, soul and strength. And the way to do just that is prayer! About this Series: The My Catholic Life! series is a three volume series written as a complete summary of our glorious Catholic faith! The goal of these books is to answer the difficult and deep questions of life in a clear and understandable way. We need to know who we are and what life is all about. And we need to know who God is and what He has spoke to us through the ages. Volume One, My Catholic Faith! is a summary of the Apostles and Nicene Creed. This volume looks at everything from the creation of the world to God's eternal plan of salvation. Other topics include: Afterlife, saints, God, faith, and the Church. It is a summary of the teaching of the Catechism of the Catholic Church #1-1065. Volume Two, My Catholic Worship! is a summary of the life of grace found in prayer and the Sacraments. So often the Sacraments can be seen as dry and empty rituals. But they are, in reality, the greatest treasures we have! They are God's true presence among us! It is a summary of the Catechism of the Catholic Church #1066-1684 and #2558-2865. Volume Three, My Catholic Morals! is a summary of the morality itself, knowing how we choose right from wrong, as well as a summary of all the moral teachings of our faith. It is a summary of the Catechism of the Catholic Church #1691-2557 Nihil Obstat & Imprimatur granted for three volume series.

meeting jesus in the sacraments: The Cross Adrienne von Speyr, 2018-01-31 This small and simple spiritual gem offers a profound contemplation of the Seven Last Words of Christ, with specific application to the seven sacraments he instituted. Adrienne von Speyr leads us to the foot of the Cross, where she gazes upon the crucified Christ and listens deeply as he cries out in suffering and opens the portals of divine grace. The Cross: Word and Sacrament will challenge and encourage the reader to participate more deeply in the Paschal Mystery through a greater appreciation and understanding of the sacraments and their source in the Cross. The words Jesus utters in his agony, as recorded in the Gospels, contain not only the gifts experienced in the sacraments of the Church but also questions: Do you truly understand what is being offered to you? Will you accept these gifts? Will you suffer the mystery contained in such love? In short, this book calls the reader to conversion, which is a continual process of turning toward the Son, who leads us, in union with the Holy Spirit, into an ever-deepening relationship with the Father. Thus is the reader invited to enter the very life of the Trinity, that communion of love without end.

meeting jesus in the sacraments: The Reciprocity Between Faith and Sacraments in the Sacramental Economy International Theological Commission, 2021-01-06 The Sacraments are at the very centre of the Christian life, yet many today receive them without a clear understanding of what the graces they signify and contain. This document from the International Theological Commission explores the relationship between the faith of the recipient and the power and grace conferred by the sacrament looking at what is needed for the fruitful reception of the sacraments in order for them to help the receiver grow in faith. There is a profound unity between the act by which we believe and the contents to which we give our assent.... In the Christian conception it is not possible to think of a faith without sacramental expression, nor a sacramental practice in the absence of ecclesial faith [51] The document treats each sacrament but gives saves its most comprehensive treatment for marriage exploring the challenges posed by the increasing number of marriages where the spouses have an incomplete understanding of marriage as a sacrament.
